Cookie Policy
Effective Date: 05.05.2025

This Cookie Policy explains how QSystems Global ("we", "us", or "our") uses cookies and similar technologies on our website.

1. Do We Use Cookies?
At present, our website does not use cookies for analytics, tracking, or advertising purposes.
We may use essential technical cookies solely to ensure basic website functionality for example, to support secure contact form submissions.

2. What Are Cookies?
Cookies are small text files placed on your device by websites you visit.
They help websites function correctly, remember preferences, and improve user experience.

3. Future Use of Cookies
We may implement tools such as Google Analytics in the future to improve performance and user experience.
If and when we do, we will:
- Update this Cookie Policy
- Implement a cookie consent banner
- Ask for your consent before using any non-essential cookies

4. Managing Cookies
You can manage or disable cookies through your browser settings.
Please refer to your browsers help section to learn how.

5. Updates to This Policy
We may update this Cookie Policy from time to time.
Any updates will be posted on this page with a new effective date.
